220 Sight Words

Trace. Write. Find. Read.

All Dolch lists • Pre-K through Grade 3

One word on each page. Print and go.

No Google Drive. No prep. One PDF.

Classroom or home use. Do not resell the file.

How to use this pack

Print one page. Five minutes is enough.

1. Child traces the gray word with a finger, then a pencil.
2. Child writes the word on the three lines.
3. Child circles the word each time it appears in the hunt row.
4. Child reads the sentence out loud. You may fill the blank together.

Parents: one page after dinner beats a 40-page packet.

Teachers: morning work, centers, homework, or sub tub.

The word lists are the public Dolch 220. Sentences and layout are original.
